

OUR COMMUNITY IMPACT

2900 South Loop 256
Palestine, TX 75801
903.731.1000

[PalestineRegional.com](https://www.PalestineRegional.com)

In 2025, Palestine Regional Medical Center did what strong, agile community hospitals do – make essential healthcare services more accessible to area residents. We accomplished this through initiatives that included expanding our Orthopaedics capabilities, strengthening our general surgery offerings, and opening a medical clinic in Buffalo.

As our 2025 Community Benefit Report details, we continue to have a positive impact on the Anderson County area both inside and outside the walls of our facilities. While providing high-quality care to the patients who choose us for their healthcare needs – including a significant amount of charitable or uncompensated care – we also contribute to the broader community health as a large employer and taxpayer and generous supporter of organizations with a shared vision of helping others.

We understand that this partnership between our hospital and the community, now in its seventh decade, wouldn't be possible without your support. We cherish the opportunity to care for the friends, family members, and neighbors who come through our doors, and know that if we do our jobs well, we can change and even save lives. As our branding says, that's why we're here.

Sincerely,

Doug Holzbog, Market CEO
Palestine Regional Medical Center

In 2025, we...

added **14 affiliated providers**

made nearly **\$1.5 million in capital improvements**

distributed a **payroll of nearly \$50 million** to approximately 520 employees

donated more than **\$53 million** in healthcare services to those in need

paid nearly **\$8 million in taxes**

2025 Success Spotlight

Recruiting skilled clinicians to our hospital and community and supporting them in their new roles is critical to ensuring access to high-quality care across a broad spectrum of services. In 2025, we added 14 affiliated providers in areas that included Cardiology, Family Medicine, Gastroenterology, General Surgery, Obstetrics/Gynecology (OB/GYN), Orthopaedics, and Pediatrics.

Investments in our facilities – from infrastructure to the latest healthcare technology – ensure that our hospital can continue to meet the community's evolving healthcare needs. Last year, we spent nearly \$1.5 million on capital improvements, including bladder scanners, building renovations, EMS stretchers, endoscopic scopes, new air conditioning in the medical office building, vital sign machines, and an ultrasound machine, among other things.

Our greatest asset is our people. We aspire to create an environment where talent is recognized, job satisfaction is valued, and our employees can effectively use their skills to provide high-quality care and service.

In 2025, we provided more than \$53 million in services to those in need of healthcare but without the means to pay.

We are proud to be an important partner in the Anderson County area as a healthcare provider, as a significant taxpayer and employer, and as an ardent supporter of local organizations that also serve the region.

SPONSORSHIPS AND DONATIONS

It was our pleasure to be able to support several activities and organizations during the past year, including the following:

- » Elkhart Middle School
- » Meals on Wheels Palestine
- » Paint Palestine Pink
- » Palestine and Crockett Centers for Independent Living
